Summer 2008 Central Rocky Adventures

Mail Drops

We will check the mail as often as possible at each of these locations. You must post letters and packages at least one week in advance, so they can arrive for us to collect. On our last day at each location, we will leave forwarding information, so letters and packages will arrive at the next mail drop, then eventually return home.

June 23 to June 24, 2008	Student's Name General Delivery Worthington Field Studies Cody, WY 82414-9998
